

Medicare On Line Account

The screenshot shows the Medicare.gov homepage. At the top, there are navigation links for 'Español', 'About Us', 'Glossary', 'CMS.gov', and 'MyMedicare.gov Login'. The main header includes the Medicare.gov logo and a search bar. Below the header is a navigation menu with buttons for 'Sign Up / Change Plans', 'Your Medicare Costs', 'What Medicare Covers', 'Drug Coverage (Part D)', 'Supplements & Other Insurance', 'Claims & Appeals', 'Manage Your Health', and 'Forms, Help, & Resources'. The main content area features a large banner with the text 'Looking for a provider?' and a 'Learn more' button. Below the banner are four service tiles: 'Log in/Create account', 'Find plans', 'What's covered?', and 'Need a procedure?'. Callout boxes provide instructions: one points to the 'Log in/Create account' tile, another points to the 'Learn more' button, and a third points to the 'Log in/Create account' tile again.

Use www.medicare.GOV (not COM) to get to Medicare. They often change their main screen but will always have the medicare.gov at the top.

The screenshot shows the 'Log in to your account' page. It includes a link for 'No account? Get a more personalized experience - [create an account now.](#)'. There are input fields for 'USERNAME' and 'PASSWORD', followed by a 'Log in' button. A 'Trouble logging in?' link is located below the login button. A callout box points to the 'Log in' button, and another callout box points to the 'Trouble logging in?' link. At the bottom, there is a note: 'Using a shared or public computer? Be sure to log out and close all browser windows when you're done. This will help keep your information secure.'

Click here to set up a new electronic account with Medicare.

'Trouble signing in' will allow you to retrieve your Username, reset your Password and see if you have an account at all.
