# Your Guide to Medicare After a Disability

**Award** 

## Locate important letters..

- You will need your "Decision Letter" and your "Benefit Verification Letter". These letters are vital to know you disability date, and when you were awarded Medicare (if retro-actively).
- You have 60 days to sign up for additional insurance from the date of your Decision Letter.
- Your Benefit Verification letter contains your Medicare Number and start date which you will need to sign up for additional insurance and prescription coverage

## **Evaluate other coverage..**

- If you or your spouse have coverage through a group and are actively working, the company must employ over 100 people full-time, in order to keep the group coverage instead of Medicare.
- It is imperative to work with a Medicare Insurance Specialist that can help evaluate if you should waive Medicare or NOT. The date you start your Medicare is vital to retaining all of your coverage options. MEDICARE ADVANTAGE IS TYPICALLY THE BEST OPTION FOR THOSE UNDER 65.

## What you need to know..

- Once you receive your "Decision Letter" you should be able to download a "Benefit Verification Letter" from the Social Security website (once you sign up for a secure and private account on-line if you do not want to wait (4-8 weeks from receiving your decision).
- Your Medicare and Medicare Insurance can only start on the first of the month following your application date.

## Other Medicare Part A Costs & Coverages

Home health care

\$0 for home health care services.

20% of the Medicare-approved amount for Durable medical equipment (DME).

Hospice care

\$0 for hospice care.

You may need to pay a copayment of no more than \$5 for each prescription drug and other similar products for pain relief and symptom control while you're at home. In the rare case your drug isn't covered by the hospice benefit, your hospice provider should contact your Medicare drug plan to see if it's covered under Medicare prescription drug coverage (Part D).

You may need to pay 5% of the Medicare-approved amount for inpatient respite care. Medicare doesn't cover room and board when you get hospice care in your home or another facility where you live (like a nursing home).

### Important Term: Benefit Period

A Benefit Period is defined as: Being home and out of the hospital and not receiving skilled care for 60 consecutive days.

Note: Penalty for Part A Late enrollment penalty:

If you don't buy it when you're first eligible, your monthly premium may go up to 10%. (You'll have to pay the higher premium for twice the number of years you could have had Part A, but didn't sign up.)

## Penalty for Part B

In most cases, if you don't sign up for Part B when you're first eligible, you'll have to pay a late enrollment penalty. You'll have to pay this penalty for as long as you have Part B. Your monthly premium for Part B may go up 10% of the standard premium for each full 12-month period that you could have had Part B, but didn't sign up for it. Also, you may have to wait until the General Enrollment Period (from January 1 to March 31) to enroll in Part B. Coverage will start July 1 of that year.
